Dear Competitor

On behalf of the Short Circuit Motor Sport Association and the Stanthorpe and District Sporting Car Club we wish to extend to you all an invitation to compete at final round of the 2008 Preston Peak Wines Sprint Challenge Series and 2008 Short Circuit Touring Car Series to be held 25th / 26th October 2008 at Carnell Raceway at Stanthorpe.

For those of you who have not competed in Stanthorpe before, the circuit consists of 990 meters of hotmix, and is a registered CAMS circuit.

I have enclosed a list of hotels and motels in the Stanthorpe area. I suggest that if you intend competing at the event that you book your accommodation as early as possible, as Stanthorpe attracts a large amount of tourists throughout the year. Please contact the Stanthorpe Information Centre, phone (07) 4681 2057, if you have any trouble obtaining accommodation.

Competitors please note that vehicles must not record sound levels in excess of 95 dBA measured 30m from the track edge at any time (sup regs 34.2.(g), or CAMS Manual of Motor Sport Schedule B Reg 17. The Council has put stipulations on conducting the event, and one of these is that **no vehicle will be allowed to compete if the noise level is in excess of 95dBA.**

We are looking forward to seeing you all at Stanthorpe.

Yours in Motor Sport

Fred Berge
